#### B3. PROSPECTS OF THE GROUP

The global steel market continues to remain challenging, with global prices facing pressure and demand are cautious with inconsistent supply balances. The steel exports from China continue to weigh on regional steel pricing, and the geopolitical uncertainties including tensions in the Middle East, may contribute to volatility in energy cost and logistics costs which will affect global trade flows.

Domestically, Malaysia's economy remained resilient, with GDP expanding by 6.3% in the fourth quarter of 2025 and 5.2% for the full year, supported by sustained domestic demand and investment activities. These developments are expected to provide continued underlying support to the construction and manufacturing sectors, which in turn supports demand for steel products.

The Group however, will remain cautious of any global macroeconomic challenges, and geopolitical tensions, trade policy risks, fluctuations in foreign exchange currencies which may affect global supply chain. The Group remains disciplined in cost management and cautious in its business expansion, whilst improving operational efficiency.

Barring any unforeseen circumstances, the Group believes that its prospects in the supply and distribution of pipes, fittings and flanges as well as steel products primarily for the oil and gas industry are favourable taking into consideration the Group's competitive strengths, and strategies to expand into Indonesia and neighbouring overseas markets, enhance quality assurance and control procedures, expand its fleet of delivery trucks and further develop and grow the supply and distribution of the Group's jointly-owned brand products, i.e. "THF" products.

#### B4. VARIANCE OF ACTUAL PROFITS FROM FORECAST PROFITS

The Group did not issue any profit forecast or profit guarantee in the current financial quarter under review.

#### B5. INCOME TAX EXPENSES

	<u>Quarter Ended</u>		<u>Period-to-Date Ended</u>	
	<u>31.03.2026</u>	<u>31.03.2025</u>	<u>31.03.2026</u>	<u>31.03.2025</u>

Income tax expenses	1,436	1,743	1,436	1,743
Effective tax rate (%)	34.08	39.79	34.08	39.79
Statutory tax rate (%)	24.00	24.00	24.00	24.00

The effective tax rate in the current quarter under review is higher than the statutory tax rate due to certain expenses not being deductible for tax purposes such as depreciation of property, plant and equipment, professional fee and stamp duties for additional banking facilities drawdown, higher entertainment expenses and gift hampers for festival season. The effective tax rate for the preceding year corresponding quarter was higher than the current quarter under review mainly due to certain expenses not being deductible for tax purposes such as listing expenses which was incurred in preceding year corresponding quarter.

#### B9. MATERIAL LITIGATION

Save as disclosed below, the Group is not engaged in any material litigation, claim or arbitration either as plaintiff or defendant and there is no proceeding pending or threatened or any fact likely to give rise to any proceeding which might materially or adversely affect its position or business as at the date of this interim report:

- (i) Shah Alam High Court Winding-Up Petition No. BA-28NCC-548-10/2023 ("**Petition**") Saliran Industrial Supplies Sdn Bhd, a wholly-owned subsidiary of the Company ("**Saliran Industrial Supplies**") and Orient Arotek Engineering & Trading Sdn Bhd ("**Respondent**")

On 27 June 2023, Saliran Industrial Supplies through its solicitor, issued a letter of demand to the Respondent, demanding the sum of RM2,813,139.93 which represents the outstanding sum for the goods sold and delivered by Saliran Industrial Supplies to the Respondent during the period between 14 December 2022 to 1 June 2023 ("**Owing Sum**"). The Respondent failed, neglected, and refused to pay the Owing Sum or any part thereof. Consequently, on 9 November 2023, Saliran Industrial Supplies filed a winding-up petition against the Respondent for the Owing Sum. Saliran Industrial Supplies sought for and is claiming for the following:

- (a) the Respondent be wound-up;
- (b) the appointment of the official receiver as liquidator of the Respondent;
- (c) the allowance of costs and incidentals to the Petition to be paid out of the assets of the Respondent; and
- (d) any other orders the High Court deems fit.

#### B9. MATERIAL LITIGATION (CONT'D)

On 8 January 2024, the Respondent's solicitors filed a notice of intention to appear on petition for and on behalf of the Respondent. On the same day, the Respondent filed its affidavit in reply and denied the amount claimed by Saliran Industrial Supplies and stated the following:-

- (aa) Saliran Industrial Supplies had failed to fulfill the replacement request by the Respondent in relation to the damaged and defective goods supplied by Saliran Industrial Supplies;
- (bb) the amount claimed in the Petition was allegedly wrong and not bona fide as the same did not take into account a property made in favor of Saliran Industrial Supplies to contra and/or set-off debt owed by the Respondent; and
- (cc) the Petition is flawed as the Respondent had obtained an order from the High Court on 23 November 2023 for a scheme of arrangement and obtained a draft restraining order from the High Court on 4 January 2024 to restrain all creditors, including Saliran Industrial Supplies, from proceeding with legal action against the Respondent.

For information, the Respondent was wound up on 15 May 2024 in relation to a petition filed by third-party, Tegap Urus Trading & Construction Sdn Bhd. In relation thereto, the Petition was struck-out by the High Court on 1 July 2024 with liberty to file afresh with no order as to cost and the deposit of RM3,000 paid to the Director of General of Insolvency Department is to be refunded to Saliran Industrial Supplies.

Saliran Industrial Supplies had registered the Proof of Debt with the Insolvency Department on 26 May 2025 claiming for the Owing Sum, and pending further decision from the Malaysia Insolvency Department. We were informed by our lawyers on 22 May 2026 that the Insolvency Department will inform all the creditors once they have fixed the matter for a Creditors' Meeting.
